Organizational Structure

65 Water and Sewer Services Fund-At a Glance

Budget Highlights FY 2004

Cumberland Utility District (takeover)	\$2,507,900
Stormwater Division	1,923,800
 Inflation, and adjustment to actual 	1,621,300
 Route Services Section 	589,500
 Water and Wastewater Operations 	513,000
 Customer Services Division 	380,200
 Communication Services Section 	240,900
 System Services Division 	156,700
 Information Services Division 	118,500
Total	\$8,051,800

Overview

ADMINSTRATION

The Administration Division is responsible for setting goals and objectives for the department and insuring that they are met. Duties include recommending and overseeing policy initiatives, settings goals and objectives and monitoring organizational performance.

HUMAN RESOURCES

The Human Resources (HR) Division is responsible for maintaining a safe, healthy, and satisfied workforce. Occupational health nurses are provided by the division to treat work-related injuries. Safety coordinators inspect the workplace for violations and provide employee training. Human Resources also maintains personnel files and coordinates employee training.

ENGINEERING

The Engineering Division is responsible for providing technical support to the department. The division maintains files showing the location and specifications for all water and sewer lines in the county, provides expert assistance for the installation of new sewer and water lines, monitors sewer and water infrastructure, and reviews and approves construction plans for compliance with regulations.

FINANCE AND ACCOUNTING

The Finance and Accounting Division is responsible for the preparation and management of the budget. Duties include purchasing, payroll, accounts payable, accounts receivable, and fixed asset accounting.

INFORMATION SERVICES

The Information Services Division is responsible for the enhancement and support for business applications running on both mainframe and client-server platforms.

SYSTEM SERVICES

The Systems Services Division is responsible for construction and repair of all water and sewer lines. They are also responsible for responding to consumer water and sewer complaints on a 24-hour, seven-day-aweek basis.

OPERATIONS

The Operations Division is responsible for the operation of two water treatment plants and three wastewater treatment plants. The water treatment plants can treat a combined 180 million gallons a day, over 300 gallons per day for every resident. The wastewater treatment plants have a treatment capacity of 381 million gallons a day.

CUSTOMER SERVICE

The Customer Service Division is responsible for establishing and maintaining customer accounts, reading meters and processing bills. The division is responsible for managing over 163,000 accounts a month. The Division also responds to customer service calls.

STORMWATER

Stormwater is rainwater plus anything the rain carries along with it. In urban areas, rain that falls on the roof of a house, or collects on paved areas like driveways, roads and footpaths is carried away through a system of pipes that is separate from the sewerage system.

The Stormwater Division reviews all grading, drainage, and erosion control plans for compliance with mandated stormwater management guidelines. It works closely with the Codes Administration on the issuance of permits. It also maintains official flood insurance rate maps and provides flood information to the public.

66/67 Hospital Authority-At a Glance

Mission

Metropolitan Nashville General Hospital is a publicly supported, academically affiliated community-based hospital. We are committed to providing excellent healthcare regardless of age, race, creed, gender, sexual preference or ability to pay. With the alliance of Meharry Medical College and Vanderbilt University, the Medical Staff and our employees will provide an educational and research environment based on the provision of comprehensive, compassionate, acute care services to those in need. Our employees, physicians, and vendors will be given the same respect, concern and caring attitude that they are expected to share with our customers.

In order to meet our vision, mission and values, we will work together to be financially viable while continuously improving our skills and resources through excellence in education and research. Our goal is the achievement of 100% access to healthcare and zero disparity.

Nashville Metropolitan Bordeaux Hospital, as the long-term care division of the Hospital Authority in alliance with Metropolitan Nashville General Hospital, is a publicly supported facility committed to individualized resident care. As a regional leader in the provision of long-term acute and chronic care, we are committed to involving our internal and external communities in providing comprehensive services and activities to our residents without regard to gender, ethnic or racial background, sexual preference or socioeconomic status. Working together with our Meharry Medical College partner, the community and Metropolitan Nashville General Hospital allows for an educational environment for residents and staff to promote creativity, innovation, and clinical excellence. We also strive to improve the skills and ability of our management staff to achieve the highest optimum functioning for our residents.

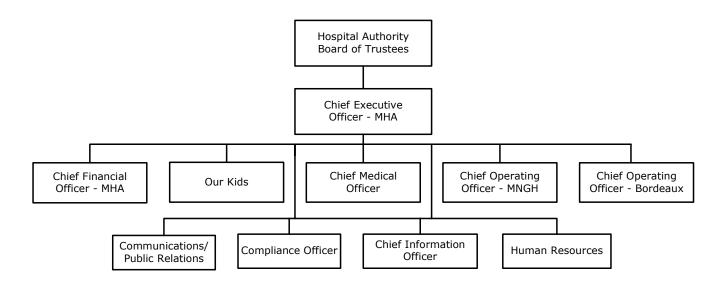

In order to make a positive difference for our residents, employees, physicians and community, exceeding expectations of all will be a way of life at Nashville Metropolitan Bordeaux Hospital.
